> The hardest work and tallest walking I ever heard of having been accomplished, in order to get into a fight, was done by Captain Smith, of New Orleans, and Lieut. McMurray, Richard Welch, James McCockey, George They walked all the way from Camargo in six days, Phale, Wm Weber, John Havolett, T D Egan, Stephen and arrived here on the morning of the 21st, walking sixteen miles that morning. On reaching camp each borrowed a rifle from a sick Texan, and went and joined the 3d and 4th Infantry-fought with them a few hours, and then joined the Mississippi regiment. Afterwards they fought from house to house with the Texan Rangers, who fought on foot; and, in fact, went gallantly through the whole affair without receiving a scratch.-Correspondence of the Picayune.

PRACTICAL AMALGAMATION .- At Athol, last Tuesday evening, says the Barre Patriot, Rev. J. N. Mars, a colored preacher of the Wesleyan order, was united in marriage by Rev. Mr. Town, of Salem, to Miss Elizabeth Holt, of Salem, whose skin of unblushing whiteness contrasts most strangely with the ebony color of the bridegroom. Mr. Mars formerly preached at Salem, and was succeeded by Mr. Town, who was sent for to tie the variegated knot. Mars, we understand, has buried two wives, and is about fifty years of age, and the new bride about thirty-five. The parties are regarded as highly respectable.
